

Are you struggling with debt?

Dealing with debt can leave you stressed and feeling isolated, but **STEP** is here to help

Our Money & Debt Advisor can advise you on the options available based on your personal circumstances, support you to deal with your creditors and work with you to resolve debt problems.

Please bring details of the following to your appointment:

- Income, including any benefits or pensions
- Household bills, including mortgage, rent, utilities and any missed payments details
- Other regular payments you make
- Unsecured debts, such as credit cards, loans, overdrafts
- Secured debts, including mortgages or secured loans
- The value of any assets, for example your house, car or caravan
- Any court orders or court paperwork you have
